

1. Using the yellow pages, the internet (searching on the terms below), newspapers or other materials your teacher may provide you, find examples of the type of money lender below:

| Type of money lender | Example |
|--------------------------|---------|
| Bank | |
| Building society | |
| Insurance company | |
| Credit union | |
| Merchant bank | |
| Finance company | |
| Home loan lender | |

2. CHOOSE two of the money lending organisations and find out about the financial services they provide. Describe the credit options that are available under the following headings:

Credit Cards
 Personal Loans
 Home Loans
 Other credit or loans

Discuss your findings with the class.
