FACTS SHEETS

If you require further support material for your students, the Department of Fair Trading has a variety of fact sheets available on consumer protection issues. These can be obtained from your local Fair Trading Centre or by calling 13 32 20.

Fact sheets include:

A student's guide to consumer rights Provides useful information on a variety of consumer issues such as renting, buying a car, shopping and credit.

Lay-bys Provides information on an individual's rights and responsibilities when shopping on lay-by.

Credit cards and 'interest free' deals Provides important information on credit, an issue of increasing concern as more and more individuals face the dilemma of coping with over-borrowing.

Some things to consider before you borrow money Provides details on an individual's rights and responsibilities under the Consumer Credit Code.

Buying a used car Provides some tips on avoiding hassles when buying a second-hand car or motorbike.

WEBSITE

For further fair trading information, you can also direct your students to the Departments' web site on www.fairtrading.nsw.gov.au

Information on the web includes:

- fair trading for business
- buying safe products
- strata living
- renting a property
- buying or selling a house
- building and renovating a house
- fair trading laws and policies
